Save time and spend smart with You've Been Gifted

YOU'VE BEEN GIFTED

It's the combination of chic and simple that really makes these gift packs stand out. Top brand products, such as L'Occitane cosmetics and Lindt chocolates, are combined with thoughtful ones such as boutique wines and office accessories, and tastefully packaged in soft, neutral colours. For expos or product launches, consider giving guests polo shirts, regatta watches or potted plants embossed with your logo. Behind the scenes at You've Been Gifted is a team of dynamic businesswomen, with a sure sense for detail, product quality and customer service. With offices in Sydney and Melbourne, speedy delivery is guaranteed to any address in Australia or overseas.
